\*We do not offer these products.

To help put the above figures into context:

- We have over 115,000 banking accounts. We received 3 complaints for every 1,000 accounts held.
- We have over 31,000 home finance accounts. We received 19 complaints for every 1,000 balances outstanding.

Charter Court Financial Services is a relatively new Specialist Bank so, unlike our peers, we do not hold a large back book. This means that the Precise Mortgages complaint figures per 1,000 accounts held may look higher when compared to other organisations.
